Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>Owing to the COVID situations to conduct the classes online mail id were created for the students and Staff using G-suite and given the id with the College name so as to avoid unknown id's entering the online classes. Taking the attendance was also easily as the names were in the alphabetical order as we created the mail id. The class link was shared to the students using the mail or WhatsApp group created for each class.</p> <p>e-learning materials were provided to the students and Quiz was also conducted periodically with a buffer time limit. For the problem papers the problems were posted in their classroom the previous day itself, hence they attended the classes with interest. Notes through Youtube were presented in the Google Classroom for the students .</p> <p>All the Association meetings and orientation programme for the 1 year was conducted through Zoom. For the Staff Members an online orientation programme was also conducted about the latest online technology to be used by the staff members in handling the online classes for the students.</p> <p>Practical and Project Viva review was also conducted for the students through online. Videos were shown to the students regarding the Practical and the apparatus used for the various experiments and they were explained about writing the lab procedures for the experiments.</p> <p>As it is an affiliated College the Internal Assessment Test and the University Examinations were conducted as per the guidelines of the University. University conducted the Mock Test for the students and the guidelines for writing the examination were explained to the students using PPT.</p> <p>Webinars were also conducted for the students by Subject experts from various other Colleges .Thus the portions were completed effectively during the pandemic situation without any interruption within the stipulated time given by the University.</p>
